

Tala Mustafa

Tala is a computer science student who is active in college societies. She lives with her parents and sister. She lacks motivation and needs someone to study with, but her friends don't share the same interests.

"Together, we build a bridge to success, because I believe our motivation leads to our personal excellence."

Age: 22
Education: Computer Science
Family: Parents, Sister
Location: Alex, Egypt
Occupation: Student

Goals

- To get someone taking the same course to study and tackle complex topics
- More Passionate about his goal
- To maintain healthy student life
- Supporting each other to achieve our study goals through joint study and preference analysis

Infrastructure

- Lack of focus and motivation
- Friends don't have same goals
- It's difficult to find someone with the same study time and interests
- Lack of Time Management
- Lack of ability to write notes and exchange comments on study topics
